Update July, 2020

Dear Partner,

Re: Discontinuation of M87 Strap-on Venipuncture Trainer and introduction of its successor model

This letter is to inform you that Kyoto Kagaku Co., Ltd will discontinue promotion of the M87 Strap-on Venipuncture Trainer from September, 2019.

The production of M87 has now terminated (March 2020). The precise schedule will be announced. The replacement parts of M87 will be available until June 2024

As its improved successor, we launch MW50 Strap-on Venipuncture Simulator “SASUKE” Code No. 11431-000.

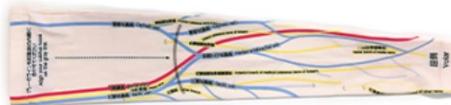

The puncture pad of “SASUKE” is made of innovative tissue material which does not show needle marks. The pad holder's compact design allows the pad to be variety of sites on arms of manikins or simulated patients.
